Re: Termination of Campaign Committees

The Fair Political Practices Commission recently adopted regulation 18404.1. This regulation, among other things, establishes specific time frames for candidates for elective state office and elected state officeholders to close their old campaign committees. This regulation became effective on February 15, 2002.

The new termination requirements apply to committees formed for elective state offices as well as to committees formed for any local elections that were held concurrent with or prior to your election to state office.

The termination deadlines and other requirements are explained in the enclosed fact sheet. The fact sheet also explains the procedures for requesting an extension of the deadlines. A copy of regulation 18404.1 is also enclosed.

If you have any questions regarding your termination requirements, please call the FPPC's toll-free advice line at 1-866-ASK FPPC (866-275-3772).
